(1) When a virement, re-allocation or supplementary estimates warrant has been issued, the vote book must be amended to reflect the corresponding increases and decreases and the approved estimates are thereby formally amended.

(2) Re-allocation of donor funds shall not be effected except with the agreement of the donor concerned.

30. Unauthorised excesses.

(1) On the final adjustment of accounts at the end of the financial year, the schedules and explanations of vote controllers shall be submitted by the accounting officer to the Auditor General.

(2) Where there is unauthorized excess expenditure, the vote controller must then show cause to the executive committee why they should not be surcharged with any excess in respect of their departments within 30 days of notification by the head of finance and the schedules and explanations of vote controllers shall be submitted by the accounting officer to the Auditor General along with annual accounts for audit, within the statutory period.

(3) Unauthorised excesses may be surcharged against the officers responsible in accordance with the provisions relating to loss of public monies, stores and other assets.

PART IV—REVENUE

31. Authority for revenue collection and expenditure.

(1) On approval of the complete estimates by the local government council, the council may collect the revenue, incur the expenditure and generally put into operation the provisions of the estimates.

(2) The chairperson of the council shall sign the approved estimates of which summaries shall be published throughout the jurisdiction of the council, in a local newspaper, as well as distribution to all lower local government notice boards by the fifteenth day of the second month after the approval of the estimates by the council.

(3) The Minister may issue instructions on sharing of revenue collected by councils and receipts from central Governments.

32. Revenue collection responsibilities of the head of finance.

The head of finance is responsible for ensuring that revenue collectors, defined under these regulations, carry out their duties properly to ensure that all revenue due to the council is promptly collected in the approved manner and banked intact.

33. Revenue registers.

(1) In respect of the various forms of revenue, including taxes, rates, fees, rents and other income, prescribe revenue registers shall be used to show details of revenue due, revenue collected and all arrears, including a record of steps taken to collect all arrears.

(2) All arrears carried forward at the end of each accounting period shall be duly brought forward at the beginning of the next accounting period.

(3) Details of the format of all accounting documents shall be found in the accounting manual.

34. Revenue collector.

(1) A revenue collector shall be any officer, cashier, sub-accountant or an officer in an established post, authorized in writing by the chief executive to collect revenue.

(2) No officer may act as a revenue collector unless he or she is in an established post, except in cases of emergency where written authority of the Head of Finance must be obtained and reasons for appointing that officer shall be forwarded to the accounting officer.

(3) In the case of an appointment at a sub county or district level, the Accounting Officer at the subcounty or division level shall liaise with the head of finance of the district or municipality when appointing revenue collectors.

35. Loss of receipt forms.

(1) If any unused receipts, tickets, licences or other forms or documents are lost, the loss shall immediately be reported to and investigated by the head of internal audit and the relevant police authority, and shall be reported to the officer who issued them, with a copy to the head of finance, and chief executive, and advertisements shall be placed in the local press warning the public of possible fraudulent use.

(2) If an issued receipt is lost and the payer applies for a duplicate, a “certified true copy” may be furnished but a new receipt form must not be used.

36. Legal tender.

A local government council shall accept only the nationally accepted legal tender, issued by the Central Bank.

37. Grants from Government.

(1) An unconditional grant shall be considered as part of local government revenue and shall be integrated in the local government budget, to be spent on priorities determined by the council taking into consideration national priority programme areas, in accordance with section 83 of the Act.

(2) Conditional grants from the Government shall be part of local government revenue but planned for, recorded and accounted for according to the grant conditions.

(3) Conditional grants shall be budgeted following an agreement between Government and the local governments and accountability and reporting for conditional grants shall be agreed with the responsible line ministry or donor.

(4) Equalisation grants shall be handled in accordance with the procedures agreed upon with the central Government.

38. Donor’s funds.

(1) Local governments that receive donor funds shall ensure that those funds are spent solely on the objectives and activities specified in the agreements between the donor and the central Government or between the donor and the respective local governments.

(2) Donors’ funds shall be treated according to the conditions attached and agreed upon, and without prejudice to the foregoing—

(a) unconditional donors grants shall be integrated into the local government revenue, as part of the general fund.

(b) other donor funds shall be treated and utilised according to the agreement and separate accountability statements shall be submitted to the donors in accordance with the terms agreed upon, which shall include the format of reporting where necessary, and in accordance with these Regulations and the Local Government Act and copies of the statement shall be given to the Auditor General, the Minister and the Resident District Commissioner.

(3) Rules of reallocation and supplementary estimates as specified in Regulation 32 and 33 shall apply to donor grants except where agreed otherwise.

(4) Local governments shall make progress reports on how donor funds are utilised and regular financial statements shall be submitted either on a monthly or quarterly basis in accordance with the agreement entered into with the donor.

(5) Reports made under subregulation (4), shall indicate facts and figures relating to specific funded activities and overall achievements based on set targets and objectives and in case of construction works, performance certificates issued by a competent authority shall accompany the reports and in addition costs of repairs and the mechanical conditions of motor vehicles shall be included in the report on a monthly basis.

(6) Subject to the agreement entered into, external audits shall be carried out during the implementation of the activities and the local government shall be availed with any report made by external auditors and make any comments and both the report and comments thereon shall be submitted to the local government public accounts committee.

(7) The external auditors for purposes of this regulation shall be appointed by the Auditor General.

(8) Where separate annual financial statements have been agreed upon, the statement shall be submitted and audited within three months after the closure of the financial year and the financial statement shall show details of revenue, expenditure, bank reconciliation and any balance by the end of the financial year in accordance with the provisions of the accounting manual.

39. Remittance of shared revenue collections by local governments.

(1) The chief executive of a lower local government shall ensure that a higher local government's share of revenue collected is remitted promptly.

(2) The chief executive of a higher local government shall ensure that revenue collected by the higher local governments is remitted to lower local governments.

PART V—PAYMENT

40. Authority and responsibility for payments.

(1) An Accounting Officer is the officer with the overall authority and responsibility for payments under his or her control.

(2) Except as otherwise provided in these Regulations, all payments of public monies in Uganda shall be made in accordance with the authority and procedures prescribed in the Act and these Regulations.

41. Record of the transaction in the accounts.

(1) The date of payment of any amount governs the date of the record of the transaction in the accounts; and therefore in no circumstance may payments be made before they are due for the purpose of utilising an anticipated saving on an item; nor may the inexpedient portion of any item be retained for the purpose of setting it in reserve to meet impending payments or to be carried to a deposit or other account.

(2) Expenditure properly chargeable to the account of a given year must, as far as possible, be met within that year and must not be deferred for the purpose of avoiding an excess on the amount provided in the estimates.

42. Payment vouchers.

All disbursements of public moneys shall be properly vouched on payment vouchers prescribed in the accounting manual or issued by the Minister.

43. Payment of advances.

(1) Payment of a recoverable salary advance to a council employee shall be authorised by the chief executive.

(2) Administrative advances to council employees shall be authorised by the chief executive and shall be accounted for within a month.

(3) The chief executive shall not authorise any advance to a council employee who has not accounted for any of the previous advances.

(4) The chief executive may authorise payment of an advance to a person or an organisation for the purchase of works, goods or services against a valid bank guarantee or in accordance with the Local Governments (Public Procurement and Disposal of Public Assets) Regulations, 2006.

(5) Administrative advances shall not be paid to non salaried members of the council.

44. Appointment of vote controllers and bank agents.

(1) The chief executive shall appoint vote controllers, every year after the approval of the budget estimates, who may be the head of a department or section or unit responsible for the votes within the approved estimates of the department or section and ensure that expenditure is not incurred in excess of provisions authorised in the approved estimates, or as may be amended by properly authorised virement, re-allocation and supplementary estimates.

(2) While retaining the ultimate overall responsibility for the votes under his or her control, a vote controller may delegate the powers to authorize or order payment for goods, services and works authorised by the contracts committee to his or her deputy or the most senior officer in the department.

(3) The chief executive shall appoint bank agents for each official bank account opened by a local government.

45. Departmental warrants.

(1) The chief executive shall issue departmental warrants to vote controllers every financial year after the approval of budget estimates.

(2) The warrants shall give the following details—

(a) name of the vote controller; and

(b) full details of the vote, including the intended activities for the voted funds.

(3) The vote controller shall enter the above details in the vote book and keep them reconciled with the head of finance's general ledger.

46. Vote book.

(1) Each vote controller and each agent in receipt of a departmental warrant shall maintain a vote book, in the form prescribed under these Regulations, to record commitments and expenditure on all votes under his or her control, including recurrent expenditure, capital expenditure and below-the-line accounts.

(2) The vote book shall represent the department's comprehensive and up-to-date record of provisions authorized by the approved estimates or by official warrants, as amended by authorized virement, re-allocations and supplementary estimates.

(3) A record must be kept in the vote book of the commitment of funds when local purchase orders, contract certificates and payment vouchers are raised, and their ultimate disbursement when payments have been made.

47. Registration of specimen signatures.

(1) Vote controllers and their delegates signing cheques and authorizing payment vouchers and supporting documents, including local purchase orders, petty contract vouchers, contract certificates shall register their specimen signatures with the head of finance and head of internal audit and shall notify them of any cancellation or change of the authority.

(2) A member of the executive committee or any other councillor shall not be a signatory to any local government council financial document, including cheques, promissory notes or any other financing document.

(3) The head of finance shall send copies of all specimen signatures to Administration sub-treasuries and require all staff to satisfy themselves by scrutiny and comparison that signatures on accountable documents, vouchers and cheques match the specimen and in case of doubt, payment procedures shall be delayed until satisfaction is met.

(4) Files containing copies of specimen signatures shall at all times be available for the use of the head of internal audit, Auditor General and local government inspectors in the performance of their duties.

48. Modes of payment.

(1) Payments to contractors and suppliers arising from the issue of authorized contract certificates and local purchase orders shall be made by a crossed cheque.

(2) Petty cash payments may be made by imprest holders in accordance with these Regulations.

(3) Open cheques may only be issued in respect of the following—

(a) in the designation of vote controllers for encashment and payment of salaries, wages and allowances of support staff;

(b) to imprest holders for replenishment of their imprest.

(c) to councillors in respect of their emoluments, allowances and other authorized expenses.

49. Restrictions on cash payments.

(1) An officer shall not make cash payments unless he or she holds an established post, except in cases of emergency where the written authority of the head of finance must be obtained.

(2) Under no circumstances shall cash payments be made out of revenue collected.

(3) Payments which shall normally be made by cheque on behalf of a higher Council shall not be made by cash at a sub-treasury or from any

imprest but shall be referred to administration headquarters for cheques to be drawn.

(4) Cash payments of personal emoluments, allowances, pensions, and other payments, shall only be made out of funds separately made available for the purpose.

50. General and special imprest.

(1) Where it is necessary for an officer to be issued with official cash funds for disbursement on administration purposes for which the normal pre-authorization procedures cannot apply, he or she shall be issued with an imprest.

(2) A “general imprest” shall be issued on a regular basis to a sub-accountant or senior departmental officer for the purpose of regular petty cash payments of the sub-treasury or department concerned.

(3) A “special imprest” shall be issued to a senior officer of the administration for a specific purpose and time, for example, for the duration of a project, official function or visit.

51. Custody of imprest.

(1) Each imprest holder is responsible for the full amount of his or her imprest until it has been properly retired and any disbursements from his or her imprest, shall be made against properly certified imprest cash vouchers with supporting documents and receipts and entered in his or her cash book as prescribed in the accounting manual.

(2) A safe shall be maintained by the imprest holder to safeguard imprests held in the form of cash and officers holding larger amounts above the authorized standard petty cash, may deposit surplus cash not immediately required in official bank account with the permission of the head of finance, and the Accounting Officer shall be informed accordingly.

52. Replenishment and retirement of imprest.

(1) Replenishment of an imprest requires the balancing of the cash book and completion of a payment voucher summarizing all transactions and vote codes and submitting them to the head of finance with all supporting documents and a cheque shall be issued which shall restore

the imprest to its original amount.

(2) Retirement of an imprest requires the balancing of the cash book and the completion of a retirement voucher summarizing all transactions and vote codes and submitting them to the head of finance with all supporting documents and any cash balance shall be paid in and a receipt issued in the name of the imprest holder.

(3) Special imprest shall be retired on or before the date specified on the imprest warrant but general imprests shall be retired on or before the last day of the financial year.

(4) Imprest shall be repaid when no longer required, or reduced when found to be excessive.

(5) Officers who have not retired imprest shall be surcharged and shall not receive additional imprest until the previous imprest is accounted for.

53. Salaries and wages establishment registers.

(1) Each head of department shall be responsible for the maintenance of an establishment register recording full personal details and rates of pay of all established staff in the department and the register shall be kept up-to-date in accordance with the approved respective local government structure, to agree with the central personnel records, pay records kept by the head of finance and the nominal rolls upon which the approved estimates are based.

(2) At the end of each month, a head of department shall make a return to the chief executive indicating the number of employees and grades and any details of those who have resigned, died or absconded from duty.

(3) Personnel departments shall design an appropriate reporting form.

54. Payment of salaries, pensions, terminal benefits and compensation.

(1) Payment of salaries and pensions shall be a first charge on local government revenue.

(2) All employees shall be paid monthly salaries and employees' salaries and pensions shall be due and payable on the last day of each month but arrangements may be made to effect earlier payment, particularly at times of public holidays.

(3) All local governments shall be up to-date with salary and pension payments and shall keep a separate bank account for salaries and the chairperson of a council and the Chief Executive shall be held responsible for any contravention of this regulation.

(4) Payments for terminal benefits and compensation shall be in accordance with the Workers Compensation Act and other instructions issued by the Minister.

(5) Unclaimed salaries shall except in the case of out stations with shift workers or employees on the trek be immediately paid back to the vote from which they were paid using a receipt voucher.

(6) In the case of out stations with shift workers or employees on trek, the unclaimed salaries or wages shall be entered into an unclaimed salaries register and locked up in a safe.

(7) The employees claiming the salaries or wages kept under subregulation (6) shall sign the register with a witness before receiving the salary and wages.

(8) Salaries and wages entered in an unclaimed salaries register shall be paid back by receipt voucher if not collected within five working days of entry in the register.

55. Method of payment of employees costs.

(1) Payments of employees costs shall, as far possible, be made by direct bank transfer.

(2) If deemed necessary by the head of finance, payment may be made by cheque.

(3) Only in exceptional circumstances, certified by the chief

executive, shall cash payments be made, in accordance with the system laid down in the accounting manual.

56. Payment of local governments emoluments and allowances.

The Minister shall issue instructions on payments of local governments emoluments and allowances in accordance with regulation 1 to the First Schedule of the Act.

PART VI—ACCOUNTING AND CONTROLS

57. Accounting policy and chart of accounts.

The Minister shall in consultation with the Accountant General issue the accounting policy and chart of accounts to be used by the councils.

58. Accounting manual and Minister's instructions.

(1) Notwithstanding these Regulations, the accounting procedures, methods, forms, formats of accounting records and other requirements to be used by local governments are as set out in the accounting manual or shall be issued by the Minister in conformity with these Regulations.

(2) The accounting manual is an official subsidiary document of these Regulations, and all systems, procedures and controls specified in the accounting manual represent the lawful application of the principles contained in these Regulations.
